Following up on your question with some background

Environmental Restoration's Site Health and Safety Plan required the work team to have a mobile telephone, two-way radios, and vehicle horns/air horn.

At the time of the release, the road was destroyed and the EPA crew was trapped with no cell phone coverage.

**CBI/Ex. 4**

V [CBI/Ex. 4] EPA and DRMS personnel then communicated via radio and the OSC instructed DRMS to make notifications.

Although not required in the work plan, the work team also was equipped with a satellite phone. Th
